- Anesthesiologists
- Neonatologists
- Emergency Medicine
- Hospitalist (any specialty but only works in the hospital)
- Critical Care
- Psychiatry
- Urgent Care
- Locum Tenant
- Durable Medical Equipment
- Telemedicine Consultants

Documents needed to credential providers

1. A copy of the CAQH App (dated within the past 12 months/365 days)
2. A copy of the signed CAQH Attestation form
3. Current and valid copy of provider's Malpractice Certificate (COI)
4. Board Certificate (except for AUD, PT, OT or OD unless CAQH states they are board certified)
4. If not Board Certified, 25 category 1 CME's within past two years
5. Current and valid copy of the DEA for the state in which the provider is practicing
6. Provider Notification form

* For **NPs** and **PAs**, provide the Board Certificate and specify the specialty they will be practicing under (Family Medicine, Urology, etc.)

** If the provider is being Re-Credentialed, 50 Category 1 CMEs for the past two years are required

Please submit via Email to Laura Beck at Laura.Beck@ascension.org.

Please wait until you have all required documents before submitting a provider to be credentialed.

Thank you.
